Elite - Marble - Granite - Oxide - Digital Print collections.

01 — BRAND & MATERIAL

Brand & material

AvantQuartz® is positioned around natural-stone aesthetics, French-inspired decor naming and a 3200 × 1600 mm Jumbo format. Its live range is organised into the Elite, Marble, Granite, Oxide and Digital Print collections. The manufacturer describes approximately 95% natural quartz, 4% polymer resins and 1% pigments.

Why AvantQuartz

- **Digital Print realism** — the key differentiator when depth and natural-stone pattern realism matter most.
- **Marble-led Elite** — the strongest marble family, with Granite and Oxide broadening the palette.
- **Ever-evolving range** — the manufacturer's product list changes frequently; ask us for the current decors.

Best-fit applications

- Kitchen countertops and islands
- Bathroom vanities and wall panels
- Feature walls and interior cladding
- Bars, tables and furniture elements
