MATERIAL GUIDE

Caesarstone

Quartz + porcelain surfaces

A multi-material surface brand: quartz, porcelain, mineral and ICON/Fusion.
Local catalogue centred on engineered-quartz decors.

01 — BRAND & MATERIAL

Brand & material

Caesarstone® is a multi-material surface brand. Its global platform spans quartz, porcelain, mineral and ICON/Fusion surfaces, while our local catalogue centres on engineered-quartz decors. Non-porosity, stain resistance and scratch resistance are core to the quartz surfaces; the porcelain range adds high heat and UV resistance.

Why Caesarstone

- **Multi-material platform** — quartz, porcelain, mineral and ICON/Fusion, broader than the local quartz list.
- **Local quartz focus** — the engineered-quartz decors are the relevant commercial reference for our market.
- **Distinct platforms** — porcelain and ICON/Fusion have their own specs; don't apply quartz limits to them.

Best-fit applications

- Kitchen countertops and islands
- Bathroom surfaces and vanities
- Wall cladding and backsplashes
- Flooring and architectural cladding
- Outdoor kitchens and selected exterior uses

02 — PRODUCT PORTFOLIO

Product portfolio

Organised by the manufacturer's current collection structure. Product names are retained as published; availability can change by country, distributor and production batch.

Quartz collections (local)

Classico · Supernatural · Metropolitan · Ultra Natural · Outdoor

Quartz decors

4044 Airy Concrete · 4004 Raw Concrete · 5220 Dreamy Marfil · 6003 Coastal Grey · 6046 Moorland Fog · 6131 Bianco Drift · 6338 Woodlands · 5810H Black Tempal · 4600 Organic White · 4030 Oyster · 5143 White Attica · 4120 Raven · 5131 Calacatta Nuvo · 5031 Statuario Maximus · 5101 Empire Black · 5151 Empire White · 5222 Adamina · 5820 Darcrest · 4130 Clamshell · 5100 Vanilla Noir · 1141 Pure White

03 — SPECIFICATION & APPLICATION

Specification & application

Quartz	Polished, matt and honed finishes; common formats 3050 × 1440 and 3240 / 3340 × 1640 mm
Porcelain	6, 12 and 20 mm options
Applications	Countertops, islands, backsplashes, flooring, cladding, fireplaces and outdoor uses
Performance	Non-porosity, stain and scratch resistance are core quartz claims; porcelain adds high heat and UV resistance

Exact availability is regional. Do not apply quartz limits when specifying porcelain or ICON/Fusion. Check the current fabrication and warranty documentation for the selected surface. Research snapshot, August 2026.
